Bristol Parks Forum

Bristol Parks Forum was established by Bristol Parks as an umbrella organisation for community park groups and organisations in the city with an interest in their local parks and green spaces.

The forum is supported by Bristol City Council but acts independently and is the only 'community voice' that is dedicated to all of Bristol's green spaces. The forum's three main roles are to:

- offer an opportunity to share ideas and experience
- act as a consultation body for the Bristol Parks service and other agencies
- influence decision-making, including the allocation of resources
