Update: Neighbourhood Engagement Team

Author: Richard Fletcher, 0117 922 3896.

Note on Neighbourhood Engagement Team, Environment & Leisure Services

As of 1st October 2012, there are no longer any vacant posts in the Neighbourhood Engagement Team.

As identified at the last Forum meeting, in addition to the seven permanent posts, we have employed a further Area Environment Officer on a temporary contract until September 2013. We will review this position at some point in 2013.

Please note that responsibilities in Ashley, Easton and Lawrence Hill are shared between Greg Eynon and Tim Chinnick. Please feel free to contact either of them if you can't remember who deals with what. Each will ask the other to lead a resolution if appropriate.

As set out before, we have a Team email which is **Neighbourhood.Engagement@bristol.gov.uk** and our phone number is **0117 352 1947 / 0117 922 1947**.

If you are not sure which of us to contact or can't get through to some one, please use that number or email and a member of the Team will respond.
