

Bristol Parks Promise

Bristol Parks promise all our parks and green space visitors that we will meet the Council's *Better Neighbourhoods* priority.

We will:

- Be friendly, helpful, courteous and polite
- Provide a good quality service
- Provide a welcoming service that gives good value for money
- Provide a service that puts customers at the heart of everything we do
- Tackle anti-social behaviour, dog fouling and litter
- Take ownership and responsibility for solving problems
- Have an attitude of getting the job done
- Work well with park groups and visitors to improve parks
- Promote a service that looks for ways to improve - one that we can be proud of

This will ensure that *Bristol residents experience significant change in the physical quality of their neighbourhoods and have opportunities to shape improvements.*
