Bristol Parks Service Delivery Areas from February 2010

Date: 27 March 2009

Bristol Parks, Neighbourhoods

Area Park Manager

- ***To manage the delivery of parks and green space services and act as the accountable business manager, aiming for continuous improvement to meet the diverse range of customer needs within the allocated area of the city.***
- ***To lead and respond to a wide variety of neighbourhood initiatives.***

Community Park Officer

- ***To communicate with and engage residents, park users, Neighbourhood Partnerships, and a range of other council services and agencies in the work of Bristol Parks, and help foster positive community relations across an area of the city.***
- ***To lead and/or support projects and programmes to improve parks and increase/diversify usage, to meet clear council, neighbourhood and service priorities and in line with agreed park plans.***

Head Gardener

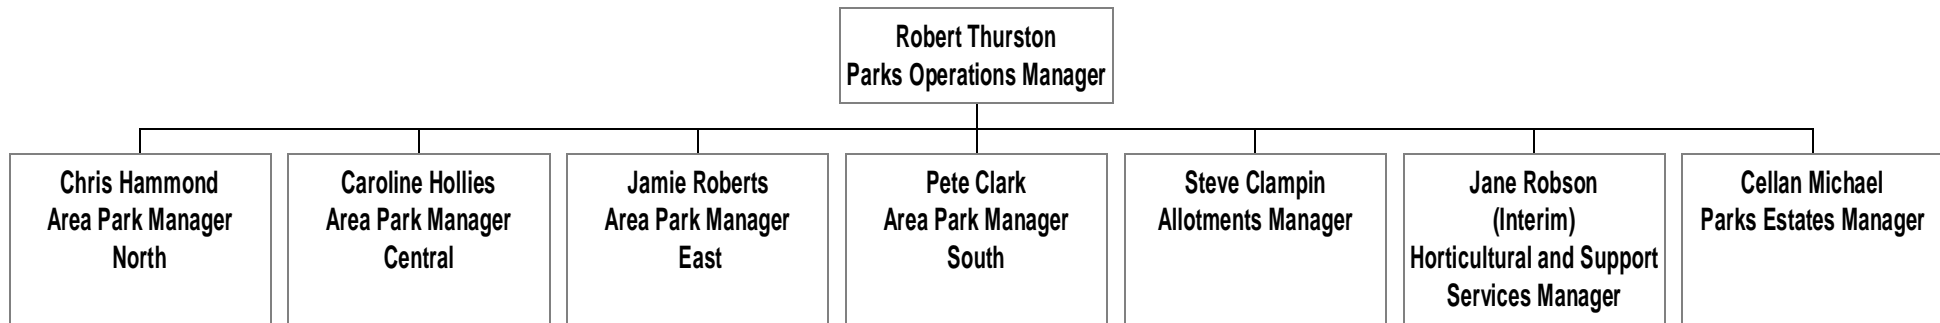

- ***Leading, directing and motivating team/s of gardeners, assistant gardeners and volunteers***
- ***To ensure effective day to day on-site working using planning, programming and monitoring techniques working in accordance with the Council's policies and procedures, including the Health, Safety and Welfare Policy.***
- ***To maximise productivity, with particular emphasis on increasing quality, the public's perception of safety and encouraging community use and enjoyment.***

Community Park Keeper

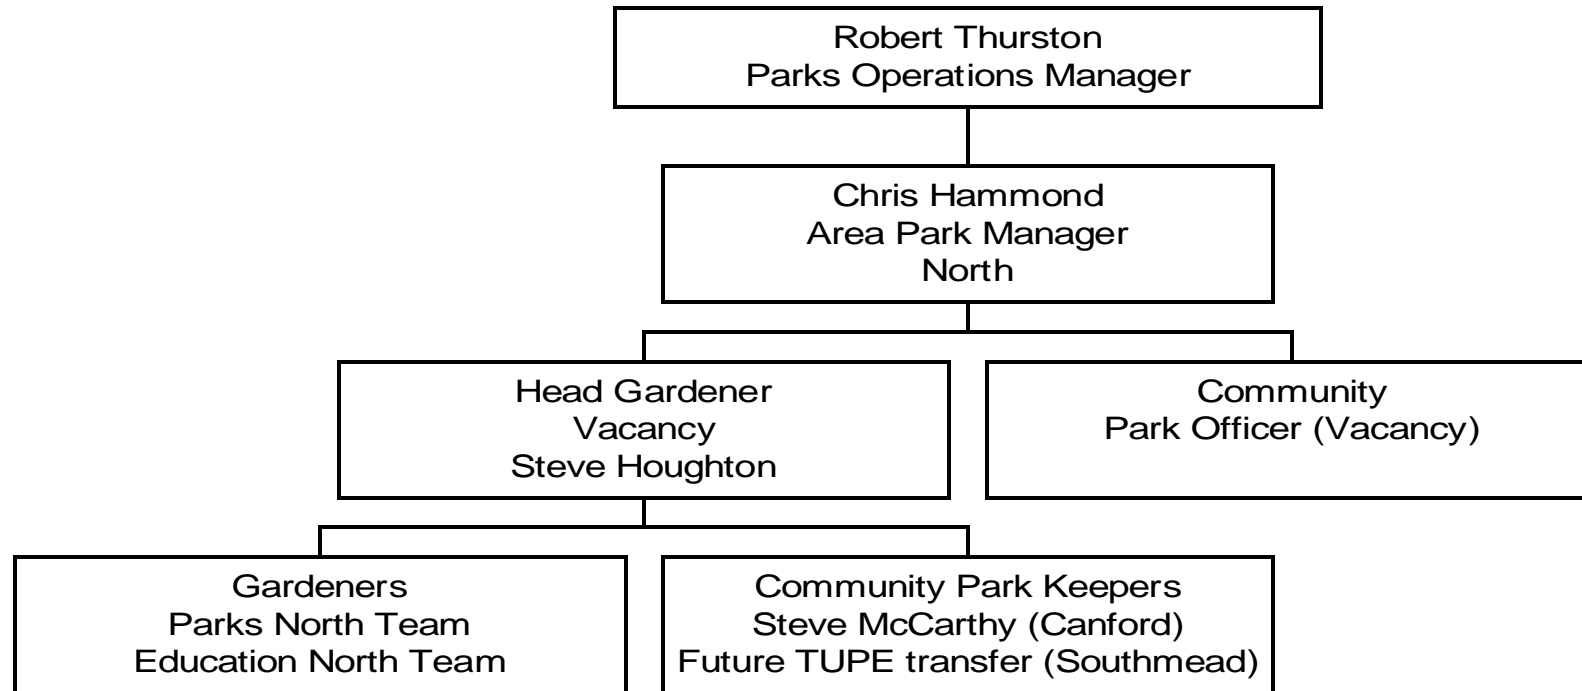

- ***To carry out and successfully complete horticultural, grounds maintenance and nature conservation operations, to meet the specifications of grounds maintenance contracts and work programmes to agreed standards.***
- ***To maximise the public's perception of safety and encouraging community use and enjoyment of parks and green spaces.***
- ***The post can operate across a range of sites throughout the city from traditional parks and open green space to woodlands and nature reserves, and the range of work undertaken may vary depending on seasons.***

Quality Monitoring Officers

- To monitor and record the quality and safety of grounds maintenance functions including green spaces, assets and features, hard landscapes and children's play facilities across the city.
- To ensure that playground equipment is maintained to an acceptable standard through reporting, and delivery of minor repairs
