Dear Bristol Parks Forum Member

**Re: Area Green Space Plans**

I am writing to invite you to a briefing session on how the Area Green Space Plans currently being developed for Neighbourhood Partnership Areas across Bristol link with both the current Strategic Housing Land Availability Assessment (SHLAA) Stakeholder Technical Assessment and the Site Allocations 'Call for Sites' process.

This briefing follows my note sent to all Forum members on this issue last week (dated 24<sup>th</sup> November). The briefing will be given by both myself and Sarah O'Driscoll from Strategic Planning who is an expert on the SHLAA and Call for Sites processes currently being taken forward as part of the Bristol Development Framework.

This will be your opportunity to ask any questions that will help you participate effectively in AGSPs and the BDF should you wish to do so.

The briefing will be held at the **Council House, College Green at 7-00pm on Thursday 11<sup>th</sup> December**. Please refer to the noticeboard in the reception area for the appropriate room.

It would be useful if you could let me know if you intend coming along as places may have to be limited according to room capacity.

Kind regards

Richard Fletcher  
**AGSP Project manager**
