Telephone: 0117 924 9109

Address: V Papastavrou
The old chapel
Fairview Drive
Bristol BS6 6PH

www.BristolStreetTrees.org was established in 2006 to look closely at trends of urban tree removal in Bristol. When we first began to investigate the problem it became clear that many trees, especially those lining our streets, were being felled. As a result of our campaign Bristol City Council has now set-up a Tree Forum which is beginning to address these issues. Additionally, Bristol City Council have now replanted some of our street trees.
