Address: Brook Street
Redfield
Bristol

B.I.G (Brook street park Improvement Group) aims to significantly improve the quality and usability of Brook Street Park/ Play Area for the neighbourhood of Redfield. We endeavour to make the space a safe, welcoming, green and playable place that is used and appreciated by the whole community, especially children, young people and families. We aim to achieve this by accessing funding and engaging with the local community to physically improve the space and make it a valuable local asset.
