We also have a Whats App Volunteers group and produce a regular newsletter on Mailchimp.

We are an established volunteer park group working to improve Eastwood Farm Local Nature Reserve. We hold regular work parties on the 1st Saturday and 3rd Wednesday of each month.

Eastwood Farm is by the River Avon next to Beeses Riverside Bar and Tea Gardens, it was designated as a Local Nature Reserve in January 2008.

Because of the nature of the site, it boasts one of the most diverse and rich habitat areas in Bristol.

Formerly farmland, part of the site was used for landfill in the 1970s but now it is a beautiful area with woodland and open grassland enjoyed by people and wildlife.

Please contact us by email or on Facebook Messenger for further information about our group or to be included on our mailing list.
