We are a not for profit community group run by volunteers to help improve and maintain our park.  
Started in 2013 by three local residents who wanted a better play area for their children, we want to promote it as a focal point for the local community.  
We aim to raise funds for new play equipment to update the run down playground and create a welcoming picnic area.  
We wish to encourage more people to leave their cars at home and enjoy their local park and get out into the fresh air.  
We are keen to promote sports and fitness to young children and would like a park that appeals to all ages and is fun for all.
