Friends of Horfield Common (FOHC) started in 2006 when a group of neighbours and interested residents decided to work together to ensure continued access to, availability of, and improvement of the state of Horfield Common, including the Ardagh. Friends of Horfield Common works in partnership with Bristol City Council and other interested organisations and groups to achieve our aims.

FOHC has an active committee and team of volunteers who are representative of a wide range of interest, age and user groups. We run a wide-ranging programme of community events throughout the year to encourage all local people, and wider users of Horfield Common and the Ardagh to enjoy this fantastic, large open space in North Bristol.

New volunteers are always welcome.
