Redcatch Park is a well used park in Knowle close to the Broadwalk shopping centre. Facilities include a small car park and toilets, two football pitches for league matches, four tennis courts, a five-a-side kick-about area with basketball hoops and pavilion and a safe, enclosed, non-dog, children's play area.

The "Friends" aim is simply to improve the park for all the people who use it. Safety measures recently introduced have markedly reduced vandalism and noise disturbance. Annual Family Fun Days have been very successful providing the opportunity for various groups and the community to meet and discover the activities in the locality.

The group has been regularly meeting for over 7 years and works closely with local councillors, police and Bristol Parks. 'Friends' is open to all and welcomes new members.

Friends has achieved the highest level of 'Outstanding' in Britain in Bloom 'In Your Neighbourhood' each year since 2011.
