Email: paula.spiers@bristol.gov.uk
Telephone: 0117 922 4325
Address: Colston 33, Colston Avenue, Bristol, BS1 4UA

The Friends of the River Frome is a partnership of individuals, local groups and organisations who work together to improve the environment and enjoyment of the River Frome.

In 2009 the Friends surveyed the length of the River Frome for litter and invasive weeds and held a workshop to design a set of new exhibition panels in preparation for a variety of new projects.

Meetings are held on a regular basis at various locations along the River Frome. The group is open to all and new members are always welcome.

Find out more about the River Frome and keep up to date by visiting:
