Address: Hillfields Park, Thicket Avenue, BS16 4EP

Hillfields Community Garden is based in Hillfields Park in East Bristol. The space is open to everyone in the local community and we run a range of community events, regular groups and offer a number of volunteering opportunities. So far we have built and planted two raised beds, and have plans to build more, including a wildflower area and orchard which will be planted in the coming months.

Our outdoor social activities support for people's mental health and wellbeing, and help develop a sense of community.
