Description of your Group

Malago Greenway Project has started as a group of volunteers organising litter picking events in our two open spaces – Brixham Road Open Space and Marksbury Road Open Space, along the Malago Greenway.

The group has grown now, being involved in a campaign to prevent fly tipping together with BCC and Bristol Waste and nurturing an unique project in the UK – building an 850 sqm maze made out of 16 types of berries, featuring over 200 plants, wooden planters, benches and a massive drawing of 8x4m in the centre slab.

We are always looking for volunteers to join our litter picking events 3 times a year and our core group of volunteers involved in maintaining the maze. Our membership is free and our volunteers can do as much or as little as they wish.
