Telephone: 07851-430080

Address: 6 Tilling Walk,
Manor Farm,
Bristol BS10 5AH

Our group is a CIC formed to further community activity and engagement in Manor Farm, and we are currently engaging with the Council on a new community centre to be built over the next year or so.

This new centre will open out onto the back of the Play park which adjacent to the Maskelyne Avenue Green Space, so we have taken on looking after these spaces as long-term they will form a harmonious whole with the grounds of the new centre.

These spaces are very well-loved and well-used and we look after them together with other resident volunteers – litter picks, maintenance of trees planted in early 2020 as part of a One Child One tree project.
