Shirehampton Greens is a small environmental action group dedicated to the preservation and enhancement of open green space in Shirehampton. It is part of Shirehampton Community Action Forum (SCAF) and has been running for 17 years.

We have been an active partner with Bristol City Council in looking after & enhancing Lamplighters Marsh, now a designated LNR and the Daisy Field where we planted a Community Orchard in 2005 + hedgerow/bulb & wild flower planting, intergen seating projects depicting the Shire Remount Depot in WW1.

A few years ago we successfully started a new group - Friends of Lamplighters Marsh (FOLM) to take on specific guardianship of this area.

Main projects include looking after the flower planters on Shire Railway Station which we adopted 10 years ago & which is part of the Severn Beach Line project entered into the annual RHS It's Your Neighbourhood, Community Plant Project with Bristol Zoo and new projects coming from spring 2021 working with The BEE Happy Shire Project
